# FIBA 2023

Warm greetings in the precious name of our Lord and Savior Jesus Christ!

We are delighted to announce the 18<sup>th</sup> Family Conference, which will be held at the Radisson Hotel Philadelphia Northeast, Trevese, PA 19053, from July 27<sup>th</sup> to July 30<sup>th</sup>, 2023. After a three-year hiatus due to the Covid pandemic, we are grateful to God for this opportunity to gather once again as a family. During these past years, the world has undergone significant changes, and we have experienced both joys and sorrows. We have lost some dear ones who are no longer with us, but their memory and impact continue to inspire us.

The theme for this year's conference is "Surely, I come quickly" - How should we live at such a time as this? Based on Revelation 22:7-12, 20, our aim is to explore how we can walk obediently, worship fervently, witness consistently, and work expectantly in our Christian lives. This conference is designed with the entire family in mind, ensuring that each member will benefit from the various sessions and activities. Moreover, the fellowship and camaraderie we experience during these memorable days together will leave a lasting impression on our hearts.

We wholeheartedly invite you, the saints in North America and from around the world, to join us at this conference. Your presence will enrich our gathering, and we believe that God has something special in store for each one of us. We kindly request you to extend this invitation to others, encouraging them to join us in this significant event.

We eagerly anticipate your presence at the conference, and we pray that this gathering will be a source of encouragement and spiritual growth for all. May God bless you abundantly, and may His grace continue to guide and protect you until we meet.
